WOMEN'S ATHLETIC BOARD

WOMEN'S INTRAMURAL ATHLETIC BOARD

University of Saskatchewan, Saskatoon, Sask.

DEAR FRESHETTES:

Welcome to the University of Saskatchewan! This greeting rings from all four corners of the campus. But on behalf of the Pente Kai Dekka, Women's Athletic Board, and Women's Intramural Athletic Board, we particularly wish to extend our personal word of greeting, and may you find campus life to be even more than what you ever anticipated.

As you have become a member of the large body of women students on this campus, many opportunities to participate in women's clubs and activities are now open to you. You will receive maximum benefits from them only as you give of yourself and your co-operation. So, come on, girls, pitch in and see the results of wholehearted support!

Being new on any campus brings with it a feeling of frustration, confusion, and possibly shyness. Clubs and their activities are thrown at you every time you turn around. As a result you may become bewildered, and this is the purpose of the "Saskette"—to clear up some of your freshman bewilderment. In this booklet you will find clear-cut explanations of the three top women's groups on campus, and their functions. We sincerely hope these will be of some help to you. A few other features and "tips" have been included which we know will be of interest to you.

Also, girls, as you actively support your women's student body at large, don't forget—your college needs you, too!! And in conjunction with your college, remember that your big sister is supposed to be the "veteran," so make good use of her.

So, with all your enthusiasm and support, let's make '60-'61 the bounciest year ever on the U. of S. campus. Best of luck, girls!

BONNIE PHILLIPS, W.A.B.

JOANNE NICKEL, P.K.D.

Pente Kai Deka

DEAR FRESHETTE:

On behalf of the Pente Kai Deka Council and all women on the campus, I would like to welcome you to the University of Saskatchewan. I hope your next few years at University will be extremely rewarding, both scholastically and socially, and that P.K.D. can help you realize, to its fullest, the meaning of a University education.

You have decided, wisely, to further your education. At this University you will have unlimited opportunities to gain knowledge in many fields—academic, athletic, and social. It is possible to more than fill your time with any one of these. I have listed academic first, for our foremost purpose is to attain a degree. We cannot tell you how many hours a week you must spend on your studies; each of you is different and we are sure each of you will find your own balance of activities.

Campus activities are sponsored by many organizations. One of these is your sorority P.K.D. When a girl enters this University, she automatically becomes a member. P.K.D. stands for the Greek Pente Kai Deka, meaning five and ten. It originated with the first fifteen girls in the campus, five "Big Sisters," ten "Little Sisters." Later it gained recognition as a club and was given S.R.C. representation. It is now considered a regular directorate and your president is the vice-president of the S.R.C.

The work of the directorate is carried out by a council of girls representing all colleges on the campus which boast a percentage of feminine students. Those elected so far for the coming term are:

President	RUTH McKERRACHER
Arts and Science	PAT HEGGIE LOU DANIELS LIZ REMPLE
Education	GAIL GORDON PAT AMON
Home Economics	DIANE CURRIE JEAN GORDON
Commerce	BEV DAVIS
Pharmacy	LESLIE STUTT
St. Thomas More	MAUREEN CONNOLLY PAT CONNER
Lab. Technicians	LILLIAN SONTOLAB
Nursing	AVALEON FOX JOANNE NICKEL SHIRLEY NEILL
Saskatchewan Hall	BETTY TOPPINGS
Women's Athletic Board	LYNNE SUMNER JOAN DOUGLAS
N.F.C.U.S.	DIANE LLOYD

This year your council has planned many events for your enjoyment. Early in the term, October 14, is the "Big Sister"- "Little Sister" banquet and dance. This marks your official launching into the varsity social whirl.

At Christmas our thoughts turn away from the social life to those of family and friends and the gifts we will give them. At this time P.K.D. also thinks of gifts. The sorority sponsors a Tag Day, the proceeds of which are turned over to the welfare society for the purchase of Christmas hampers. We'll need help tagging as well as your donations.

Right after Christmas we'll be holding two big events. First is our "Jeanboree"—a gigantic hen party where slim jims and gossip are the order of the day. At the end of the month, it's Sadie Hawkins' Week. Here's a chance to repay your favorite beau.

With the April showers and spring flowers comes the sorority Spring Tea. This is one small way in which the little sisters say "thank you" to the girls who have helped them throughout the year. Invite your big sister and show her you appreciate what she has done for you.

We sincerely hope you will join in all the P.K.D. activities for the coming term. We will be glad to have your support and assistance in making our program and your stay at varsity a successful one.

Sincerely yours,

RUTH McKERRACHER,

President of P.K.D.

P.S. Have you seen the latest thing in campus clothing? It's a lovely green flannel blazer complete with our Saskatchewan crest. They will be on sale during the year.

MESSAGE FROM HONORARY PRESIDENT

It is a pleasure to welcome the women students of the University of Saskatchewan; those who are entering for the first time; and those who are returning for the 1960-61 term. There are many activities in which you may participate. We hope that you will take advantage of this opportunity.

May your stay on the campus be both pleasant and profitable.

MARY SPINKS.

Women's Athletic Board

HI THERE, FRESHETTES!

A most hearty welcome is extended to you from the Women's Athletic Board, and we wish you every success in the 1960-61 term.

PURPOSE:

This board is designed to direct and promote women's intervarsity sports on this campus, and is financed by a portion of the student's fees paid at registration.

BOARD MEMBERS:

Members of the W.A.B. are Mrs. J. W. T. Spinks, honorary president; 3 faculty members; 2 alumni representatives appointed for two year terms; and 7 students, including the presidents of the P.K.D. and W.I.A.B. The student members are also appointed for two year terms. The only requirement a board member must have is an interest in our intervarsity activities. She does not have to be an athlete herself. Applications for board positions should be submitted to the W.A.B. in the spring of the following year. Student members of the '60-'61 board are:

RUTH McKERRACHER	P.K.D. PRESIDENT
CAROL HART	W.I.A.B. PRESIDENT
DARYL BOYLAN	SECRETARY
FRAN CUBBON	
LYNNE McDONALD	
JANE WENTZ	
CAROL JOHNS	
BONNIE PHILLIPS	
MAUREEN REVER	ALUMNI
PAT LAWSON	ALUMNI

INTERVARSITY SPORTS:

Basketball
Skating
Swimming

Curling
Badminton
Tennis
Telegraphic Bowling

Golf
Volleyball
Fencing

Every girl on the university campus may try out for an intervarsity team, an opportunity which should not be forfeited, for your potential abilities will be skillfully developed by our trained coaches. Notices of team tryouts and practices will be posted in the gym, the Sheaf, Sask. Hall and other well populated areas on the campus. If you are the least bit interested in athletics, please be sure to attend the tryouts!

Most of you will have heard of our fabulous Intersvarsity Sports Week-ends. Competitions among the three prairie universities of Alberta, Manitoba and Saskatchewan take place throughout the year,

and are held alternately at the different universities. Competitions take place among the universities of Alberta, British Columbia, Manitoba and Saskatchewan.

All expenses for these trips are paid by the W.A.B. They provide our teams with topnotch opposition, new friends, and unforgettable experiences, and accomplish our primary purpose of the promotion of goodwill and sportsmanship among the four camps.

AWARDS:

Minor athletic awards, which are green chenille block S's, are presented to those girls who have played on two intervarsity teams. Only one minor athletic award will be given to each deserving girl, but those who have played on six intervarsity teams will receive a major award. This is a wooden shield with silver crests denoting the sport and the year of participation in it. These awards are worthy of much justified pride on the part of those who receive them.

MANAGERS:

Each intervarsity team has a manager, and these managers are chosen in the spring. Applications are called for at that time and then selections are made by the board. Managers are responsible for equipment, transportation, and other such delegated duties for her particular team. If you would like to be on this end of the business apply to the President of the W.A.B. or Physical Education Department in the spring.

The W.A.B. is concerned with all phases of intervarsity sports—playing, managing, refereeing, and sports writing; and our success depends on your participation and whole hearted support. Let's make '60-'61 the biggest and best year, sports-wise, and back the U. of S. with our full fledged enthusiasm.

LYNNE SUMNER,
JOAN DOUGLAS,
Presidents of the W.A.B.

Women's Intramural Athletic Board

WELCOME FRESHETTES: The Women's Intramural Athletic Board extends its best wishes to you for your future years at the University of Saskatchewan.

The Women's Intramural Athletic Board is the board on the campus designed to organize the intramural sports activities. Intramural sports are the ones in which the colleges compete with each other. The purpose of the W.I.A.B. is to encourage every girl on the Campus to take part in intramural sports and to keep them informed of forthcoming events.

Athletic ability is not a prerequisite. All that we ask is that your interest, college spirit, enthusiasm and willingness to co-operate with others be directed toward at least one intramural sport. It is through participation in intramural sports that you have the opportunity to meet new friends, to support your college and to obtain recreation and relaxation.

The W.I.A.B. consists of the president of the W.I.A.B., the president of the W.A.B., a member of the University Physical Education staff and a representative elected by each College. The members of the 1959-60 board are:

President of W.I.A.B.	CAROL HART
Presidents of W.A.B.	JOAN DOUGLAS
	LYNNE SUMNER
Arts and Science	ENID CLAYTON
Commerce	
Education	DIANE DALGLEISH
Home Economics	ELAINE VAN CLEAVE
Nursing	PAT SEXSMITH
Pharmacy	DOREEN ROSS
St. Thomas More	HELENE WOWK
Lab. Technicians	ELAINE DOBSON
Physical Education	BEV BELL

Managers for each sport were elected last spring. They will organize and manage schedules for their respective sports, and report their activities to the W.I.A.B. Sports notices will appear in the Sheaf, the Gym. and Sask. Hall. Detailed information can be obtained from your College Representative; you may also inquire at the Phys. Ed. office.

The first two intramural events will be tennis and golf. They start early in October, so see your sports representative right after registration.

The basketball league is organized in the first term, and the volleyball league in the second term to avoid conflicts if you wish to be active in both major sports. A basketball school for anyone wishing to learn or wishing to improve is held just before the first league games. An award is given to the most valuable player in each of these sports. The college team winning the basketball league becomes the U. of S. Orphanettes.

There will be two swim meets in the Qu'Appelle Hall pool: one will be held in November and the other in February. Again, as in all sports, I want to stress that it is not your skill but your college spirit which makes these meets successful. The swimming pool is available to women at selected periods throughout the year.

Curling begins in the second term. There will be several round robins in action throughout the term. The winners of the round robins play against each other in the finals. We expect to have ice available at the Rutherford Rink on the Campus.

Badminton Tournaments are held twice during the year. The singles events are held during the first term, and the doubles during the second.

Last year fencing was again included in intramural competition after several years as an intervarsity sport only. The fencing tournament is held in the spring. Anyone can learn this activity by turning out to the Fencing Club which runs all winter.

Each spring the W.I.A.B. and the W.A.B. hold a banquet to which every girl participating in an intramural sport is invited. The many trophies and awards are presented at this banquet to the Colleges and individuals who have won their respective sports and honors.

The High Point Trophy, the most important and exciting award presented at this time, is given to the College obtaining the greatest number of points during the year for all the sports. One-half of the points are given for participation, and one-half for wins. This again shows the importance of participating in the various activities and thereby supporting your College.

The W.I.A.B. is counting on you to help us make 1960-61 the best year so far for intramural sports. We hope to meet each and everyone of you as you support your College in these sports events.

CAROL HART,

President of the W.I.A.B.

Spirit of Youth Trophy

The award pictured here is the most important award presented each year. This is the Spirit of Youth Trophy, which was presented by Miss Cartwright, one time head of the Women's Physical Education Department. The qualities the winner must have, as set by Miss Cartwright, include leadership, sportsmanship, academic ability, character and athletic ability.

To be eligible for this award a girl must be in her graduating year or have a degree. Nominees for the award are handed in by other female students or by the various College Presidents. The winner of the award is picked by a committee which consists of the President of the University, the head of the Women's Physical Education Department, the incoming Presidents of the P.K.D. and the W.A.B., and one other faculty representative. If you think that you know someone who fulfills these qualities be sure that their name is among the nominees when these are called for in the spring.

Women's Intramural Trophy

WOMEN'S INTRAMURAL HIGH POINT TROPHY is awarded every year to the college obtaining the greatest number of points from all intramural sports. Points are awarded equally for wins and for participation. Donated in 1959 by Sylvia Fedoruk, Peggy Wilton (former presidents of the W.A.B.) and Pat Lawson (former W.A.B. member and now Director of Physical Education for Women).

THE JNB TROPHY is awarded to the outstanding woman athlete in intramural sports. Donated in 1957 by Grace Jasper (P.K.D. president 1956-57), Myrna Needham (W.A.B. president 1955-56) and Joan Benson (W.A.B. president 1956-57).

CRAWFORD TROPHY is awarded to the college winning the intramural basketball league. Donated in 1924 by Miss J. Crawford, former Director of Physical Education.

MARY JONES TROPHY is awarded to the most valuable player in the intramural volleyball league. Donated by Mary Jones in 1951, a former W.A.B. member.

INTRAMURAL VOLLEYBALL TROPHY is awarded to the college winning the intramural volleyball league. Donated by Arlene Raycroft (former president of the W.A.B.), Donald Clark and Donna Webb (W.A.B. members).

BURWASH TROPHY is awarded to the best novice fencer. Donated in 1940 by Elinore Burwash, former W.A.B. president and Physical Education Director.

KINSMEN CONCERT SERIES TROPHY was donated in 1957 and is awarded to the individual winning the intramural golf tournament.

CHAN TROPHY is awarded to the college winning the intramural tennis tournament. Donated in 1944 by the Chan family.

HUDSON'S BAY TROPHY is awarded to the individual winning the intramural tennis tournament. Donated in 1933.

MANNING TROPHY is awarded to the college obtaining the highest number of points in the intramural swim meets. Donated in 1926 by Dr. R. S. Manning, then Professor of Chemistry.

MACKENZIE TROPHY is awarded to the individual obtaining the highest number of points in the intramural swim meets.

BETTY MOORE TROPHY is awarded to the individual obtaining the highest number of points in the style and stunt swimming events in the intramural swim meets. Donated in 1946 by Miss Betty Moore, former W.A.B. president.

DORIS WOODS TROPHY is awarded to the most valuable player in the intramural basketball league. Donated by Doris Woods, former W.A.B. president.

COLLEGE AWARDS are given by each college to its members who have participated in intramural sports. The Minor Athletic Award is usually a crest, and the Major Athletic Award is a pin.

WOMEN'S INTRAMURAL TROPHIES:

1. **Intramural Girls' Singles Badminton Trophy** donated in 1958 by Hope Hunt, Dean of College of Home Economics.
2. **W.I.A.B. President's Curling Trophy** donated in 1959 by Sharon Art ('56-'57), Gwenna Moss ('57-'58), and Lois Smith ('58-'59).
3. **Women's Intramural Doubles Badminton Trophy** donated by Eleanor East and Sandra Wright in 1959.

Etiquette for Happier Living

"He who has good manners is unself-conscious in the observance of etiquette, the precepts of which must be so thoroughly ingrained that their observance is a matter of instinct rather than of conscious obedience."

1.—Introductions

1. Miss Smith, may I introduce Mr. Jones.
The gentleman is introduced to the lady.
2. Mrs. Smith, may I introduce Miss Jean Brown.
The younger woman is introduced to the older woman.
3. A gentleman always rises when a lady enters the room and remains standing until she is seated.
The hostess always rises when guests enter.
4. Gentlemen when introduced to each other shake hands; women may or may not.
5. In the handshake there should always be a feeling of strength and warmth.
6. A few words of explanation add a kindly touch to the introduction of a stranger.

2.—The Receiving Line

1. Invitation issued by the girl.
The girl's escort is introduced by the girl to the person standing first in the receiving line.
Miss Brown, may I introduce Mr. Bob Hammond—and I am Mary Davidson. Mary shakes hands with Lois Brown; then Bob, who is slightly behind and to the left of Mary, shakes hands with Miss Brown.

Miss Brown introduces, first Miss Mary Davidson and then Mr. Bob Hammond, to the person next in the receiving line. Mary shakes hands and says, "How do you do, Miss Rymer." Bob follows in the same fashion—right down the line.

2. Invitation issued by the gentleman.
Miss Brown, may I introduce Miss Mary Davidson—and I am Bob Hammond. Then same procedure as in (1).
3. At a tea where the girl is unaccompanied.
Miss Brown, I am Mary Davidson. Shakes hands as in (1).

3.—The Formal Dinner

1. The lady is seated on the gentleman's right.
2. The fork in front of the dinner-plate position is for the sea-food cocktail; or the spoon in the same position is for the fruit cocktail.
3. The order for the use of the cutlery is from the outside of each particular kind to the inside.
4. When the meal is over the serviette, unfolded, is placed on the table.
5. If there is a Toast List:

- (1) The chairman is addressed as Mr. Toastmaster or Madam Toastmistress.
- (2) There is no smoking before the Toast to the Queen.
- (3) The Toast to the Queen is always the first Toast.

One accepted way for proposing this toast is as follows:
Mr. Toastmaster rises and says,

"Ladies and Gentlemen—the Queen."

Those assembled rise and stand at attention until one verse of 'God Save the Queen' has been played. Mr. Toastmaster then lifts and raises his glass at the same time saying, "the Queen". The other do likewise. The Toast is drunk without any clinking of glasses.

4.—Notes and Invitations

1. A note of thanks is sent to your host and hostess for a happy weekend (or for any happy occasion).
2. A note of thanks is sent to the guest speaker of the club.
3. A semi-formal note is sent to one whom you are asking to be a patroness.
4. The answer to a formal invitation should be in the wording of the invitation.
5. R.S.V.P. on an invitation means a written reply is requested.
6. A card should be enclosed with a corsage or bouquet.
(Use white or off-white notepaper for all semi-formal or formal correspondence).

5.—Suggestions for Notes, Invitations, Replies

Note: The notes and invitations below are to be “hand-written”.

1. Dear Mr. and Mrs. Brown:

May I once again say “Many Thanks” for a delightful week-end. Meeting your friends was most enjoyable; your two boys are such good fun; and both of you are so kind and thoughtful.

For a long time to come I shall re-live the happy time we had.

Gratefully yours,

Jean Stewart.

2. Dear Miss Carter,

On behalf of the Club I should like to express to you our grateful thanks for your interesting and inspirational talk last Wednesday. You have left us with a number of ideas upon which we shall work, ideas which we know will bring new life to our club-members and to our club efforts.

Perhaps in the not too distant future you will find it possible to make a return visit.

Very sincerely yours,

Edith Whittaker,

Secretary.

3. Dear Mrs. Gorman:

The members of the Education Undergraduate Society would be honoured if you would be a patroness at their Graduation Dinner and Dance to be held in the Recreation Centre on Wednesday, March the eighteenth, at six-thirty o'clock.

Very sincerely yours,

Frederick Hamilton,

Secretary, Class '59.

4. Card for corsage to Mrs. Gorman:

We hope you will have a happy time this evening.

Sincerely,

Class '59.

5. This invitation is usually printed:
